Dear Friends,

No truer words have been spoken ... "Teamwork Makes The Dream Work."

Thank you to our Midwest family and friends for the excellence you bring to our team. Your trust and confidence allows us to prepare and present your best.

These past 18 months of isolation and social distancing have given us all time to pause and reflect on how grateful we are for each other and for our beloved equine friends.

We look optimistically forward to the United States Nationals, a spirit-filled holiday season, and the next bright light of Scottsdale 2022!

Come join us.

Kind regards,

David
